## Club Rules

The East Auckland Kayak Fishing Club (EAKFC) is committed to safeguarding and promoting the well being of all its members. The club believes that it is important that members, committee and the executive members associated with the club should, at all times, show respect, encouragement and be open at all times to share any concerns or complaints that they may have about any aspect of the club with the Secretary.

As members of the EAKFC you are expected to abide by the following club rules:

- All members must respect and abide by decisions made by club officials/organizers of any fishing trips/competitions/or special events and activities, as safety of all members during these events is paramount
- All members must wear and supply their own suitable clothing, safety equipment including a PFD (personal flotation device) which is compulsory, in compliance with the Maritime Safety Authority regulations when on the water during any such events.
- Only fish officially weighed in at club events will be considered at the end of year Prizegiving except in the case of special awards.
- Members are responsible for their own safety and that of any family or guests invited by that member to attend a club activity. EAKFC can not be held liable for any loss, damage or accident caused by or to a member/guest and their property.
- Guests of members are welcome to attend two events/activities held by the club before membership must be applied for to join in on any further events.
- Members must pay an annual subscription within 30 days of the renewal date.
- The Club membership year runs from 01 August to 31 July.

I understand the club constitution is available for my perusal on club nights and I agree to be bound by the terms and conditions therein.

Signing below indicates your (and any other family members) acceptance of these rules.
